Welcome to the Calico Systems Knowledge Base!

How can we help you today?

Whether you need technical support, want to submit a request, or are looking for answers, you're in the right place. This Knowledge Base is your central hub for documentation, guides, tutorials, and self-service resources.

If you can't find what you're looking for, our team is always happy to help.

Need Support?

Submit a Support Request

Open a support ticket for technical issues, service requests, or general assistance.

[Managed Services customers](#) | [Non-Managed Businesses](#) | [Residential Customers](#)

[Or, chat with our self-service support AI](#)

Client Portal

For primary contacts at clients only: View existing tickets, check project updates, and manage your requests: <https://my.calico.systems>

Emergency Support

If your business is experiencing a critical outage during business hours, please call us immediately rather than submitting a ticket.

Call Us

☎ (814) 275-6020

Self-Service

Our self-service tools are available 24 hours a day.
